Letters to the Editor

*Owed to the CIA
Want a revolution, comrades!
Phone the CIA.
You won't have a thing to do
But wait until The Day.
They'll direct the revolution,
Lead you all the way.
They will even tell you, com-
rades,
What to do and say.
Comes the revolution, comrades,
Gladly we shall pay
Tribute to our guide and lead-
er—
To the CIA! P. POLLACK.*
